Introduction

This MOU is entered on the 17th of July 2019 between ATEU Softwares, a reputed Android app based Company Headquartered at Mysore, India.

Department of Computer Science & Engineering, Maharaja Institute of Technology Mysore (Hereinaster referred to as CSE-MITM), a reputed Engineering College located in Mandya.

The aforesaid Company and Institution will be individually referred to as Party and jointly as parties.

Objectives of the MOU

The objectives of the MOU are

- To support the institute in technical activities.
- To help the students to achieve their aspiration.
- To make the students aware of the latest technologies in the market.
- To provide Internship opportunities to the students.
- To support the students for the smooth execution of their Projects.
- Skill development of the students in the latest Technologies.
- Placement Assistance.
- Collaborate with College on the Research Projects.
- Training of Faculty in the latest Technologies.

Technical Areas of Collaboration

- Provide academic interaction by delivering special lectures at CSE-MITM on topics of relevance to Modern Industry.
- Organizing workshops and Boot camps to Engineering Students and Faculty to make them aware of the latest trends in Technologies.
- Conducting Internships for the engineering students and its evaluation.
- Execution of live projects by the students.

Proposed Modes of Collaboration

ATEU Softwares and CSE-MITM propose to collaborate through the following:

- a) Conducting value added workshops on recent topics.
- b) Boot Camp for the students on the latest emerging technologies for a period of 4 weeks as per industry practices. Boot Camp will be conducted on the following streams:
 - Data Science & Machine Learning(ML)
 - Machine Learning(ML) & Artificial Intelligence(AI)
 - Embedded IOT
 - Python Programming for Application Development

ANDROID DEVELOPERS

- Mobile Application Development
- Blockchain
- c) Execution of the projects by the students under Virtual Corporate Program(VCP) for a period from 4-6 months depending on the complexities of the project.
- d) Training of the Faculty on latest topics under Faculty Development Program(FDP).
- e) Any other appropriate mode of interaction agreed between ATEU Softwares and CSE-MITM.

A specific plan will be developed by both parties depending upon availability of resources.

Terms and Conditions

- The workshop, Bootcamp & VCP will be held at CSE-MITM and all basic infrastructures relating to the same like class rooms, audio video display systems with mikes, tables and chairs will be provided by CSE-MITM.
- 2. For the value added workshops, the minimum and maximum number of participants will be 15 & 60 respectively.
- 3. For the Boot camp, the minimum and maximum number of participants per stream will be 15 & 60 respectively.
- 4. For the VCP, the minimum and maximum number of participants will be 10 and 40.
- 5. The FDP can be conducted at College Premises /ATEU Softwares Premises.
- 6. All software packages & tools relating to the Technologies for the above will be provided by ATEU Softwares.
- 7. For the workshops, Internships, Virtual corporate program and Faculty Development Program a nominal fee will be charged to the students or college based on the number of Participants and number of days of conduction.
- 8. The software package for the projects under VCP will be provided by ATEU Softwares but if the projects are to be submitted as final year projects by the students, the cost of the hardware and software will be borne by the students.
- 9. ATEU Softwares will help in preparing the Students for recruitment by Private Companies provided they successfully clear the certification after the completion of the projects under VCP but in no case it takes guarantee of the same.
- 10. ATEU Softwares will also recruit the students provided they successfully clear the certification after the completion of the projects under VCP as per ATEU software requirements.

Deliverables

- a. Value Added Workshops(2-5 Days)
 - I. Improvement in the skill index and technological exposure index
 - II. Improve the application skills of the students
 - III. Improve the coding skills of the students
 - IV. Issue of Certificates

ANDROID DEVELOPERS

Ph-no:8884084498

- b. Boot camp (4 weeks)
 - Training Certification I.
 - Free Internship Certificates II.
 - Soft skill training III.
 - Overview of Agile Project Management IV.
- VCP(4-6 months)
 - Project Implementation (4-6 Months) on Scrum, Jira I.
 - Launching of Software App in Play store II.
 - III. Webinars
 - IV. Product Prototype Field Testing and Improvements
 - V. Visits to Customer Locations
 - VI. Certification
 - VII. Placement Assistance - (Subject to successful clearance of certification & interview)
- d. FDP(1-4 weeks)
 - Improvement in the skill index in the particular technology
 - II. Improve the application skills of the Faculty
 - Issue of Certificates III.
 - IV. Exposure to latest Projects in the Technologies
 - Exposure to latest Market Trends
- Free Internship with placements as required by ATEU Softwares will be provided for Students of 3rd Year of the Department, based on their performance in the interview.

Commercials

Cost to be mutually decided between CSE-MITM and ATEU SOFTWARES during the conduction of respective events.

Confidentiality

- CSE-MITM and ATEU Softwares agree to hold in confidence all information / data designated by the institutes as confidential which are obtained from either institute or created during the performance of the MOU and will not disclose the same to any third party without written consent of the other institute.
- The above confidential clause under this MOU excludes the information/data possessed by either institute before entering into this MOU or independently developed during MOU with the knowledge of ATEU Softwares and / or information already available through public domain.

Ph-no:8884084498

Duration of MOU

• This MOU shall come into effect on 16 July 2019 and shall remain in full force and effect for a period of 24 months.

• This MOU, unless extended by mutual written consent of the institutes, shall expire in stipulated period, after the effective date specified in the opening paragraph, however, on review, the MOU shall be extended by mutual consent.

• This MOU may be amended, renewed, terminated by mutual written agreement of both the parties anytime.

• Either Party shall have the right to terminate this MOU upon sixty days prior notice to the other party.

Coordinators

Both Institutes will designate persons who will have responsibility for co-ordination and implementation of the agreement.

Intellectual Property Rights

The Intellectual Property Rights (IPR) that arise as a result of joint collaboration activity under the agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies of the two institutes.

Liability

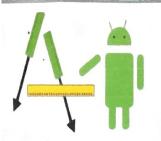

NEITHER PARTY SHALL BE LIABLE FOR ANY DIRECT, INDIRECT OR CONSEQUENTIAL LOSS, DAMAGE, COST OR EXPENSE OF ANY KIND WHATEVER AND HOWEVER CAUSED, WHETHER ARISING UNDER STATUTE, CONTRACT AND TORT OR OTHERWISE UNDER THIS MOU.

Arbitration

Any dispute and/or difference arising out of or pertaining to this MOU shall be resolved by the parties through negotiations.

General

- 1. Use of Logos: The use by a Party of the name, logo and/or official emblem of the other party on any publication, document and/or paper is allowed only, after seeking explicit permission in writing by such other party.
- 2. Representation: Neither Party shall represent the other party in any manner. This MOU does not give authority to CSE-MITM to either represent and/or exercise opinion and/or take decision on behalf of ATEU SOFTWARES.
