The screenshot shows a Google Meet session. At the top, a presentation slide titled "THE CREATOR MINDSET" is displayed. The slide content includes a quote by Peter Dinklage: "I have a dream that one day people will stop seeing me as a cripple and start seeing me as a person." Below the quote, it says "I have a dream that one day people will stop seeing me as a cripple and start seeing me as a person." The slide also features an image of three people standing in front of a large screen displaying a bright light. Below the slide, the text "Vipin is presenting" is visible. The bottom half of the screen shows a grid of participants. The participants are: Harshi (with a large 'h' icon), Vipin (the presenter, with a large 'V' icon), Yaso... (with a large 'Y' icon), Abhi... (with a large 'A' icon), and 32 others (with a large 'S' icon). Each participant's name is followed by a three-dot menu icon. The bottom of the screen shows the text "You" next to a small video thumbnail of the user.

**About MITM:** Maharaja Institute of Technology Mysore (MITM) is one of the premier Engineering and Management Institute in the Mysore region established in the year 1971. The Institute is affiliated to the Government Technological University (VTU), Belgaum, approved by All India Council of Technical Education (AICTE), New Delhi, and recognized by Government of Karnataka. The Institute is managed by the Maharaja Institute Trust (MITF), a trust created and established by a group of eminent professors recognized for their research and administrative contributions in the fields of Engineering and Management Sciences. Many of them have served at the highest levels of AICTE and at different Universities.

 California State University - San Bernardino

**About MITM MBA:** MITM MBA established in the year 2005 offers a two year, full-time MBA program, designed to equip young graduates to take on leadership roles in a highly competitive and dynamic global market place in the post-pandemic business scenario. It has been playing a leading role in imparting high quality management education, training, and doctoral level programs, in addition to industry activities, is well equipped to impart critical management knowledge and practice. It gives students a deep understanding and hands-on global level business operations and best practices. MITM MBA has built healthy relationships with leading business organizations and corporations to achieve sustainable and mutually benefiting outcomes. MITM MBA brings in leading industry executives as guest speakers, on a regular basis and organizes industry visits to bring fresh ideas and the latest relevant management thinking to students. The program has students with an exposure to study a specific area of interest in depth, under the close direction of a faculty member and industry practitioners. MITM MBA is committed to being, relative and responding to the diverse needs of business organizations with which we network and interact.
