Expert talk on Cybersecurity and Its Key Challenges

Date : 24-10-2024

Expert Name : Dr. Sudhakara A M

An expert talk on "Cyber security and Its Key Challenges" was organized by the Department of MCA for Second -semester MCA students on October 24, 2024. Dr. Sudhakara A M Former head university computer center explained a critical aspect of modern society, affecting individuals, businesses, and governments worldwide. As technology advances, so do the tactics employed by cybercriminals, making it essential to understand the landscape of threats and the challenges faced in defending against them and also the importance of a proactive and adaptive approach to cyber security, emphasizing that ongoing vigilance and investment are crucial in navigating the complexities of the digital age.
