

The main aim of Alumni Day celebration was to unite maximum number of ex-students and register them in the Alumni family. The program was held in presence of **Dr. Murali**, President, MITM.

Prof. Shobha B.S welcomed the gathering with her inspiring words. All the delegates were honoured with a memento and flowers as a token of love.

Various entertainment events were performed by ex-students on the entire day. The environment in the college was joyful and refreshing, with tasty lunch served for all students. Significant number of ex-students and proactive final year students interacted with each other sharing their profiles so as to build strong relationship. This leads a strong path to the final students in fetching their internships and establishing their career. **Dr. Deepu R** presented the vote of thanks to all gathered members.
