Press Note

September 28, 2018

The inauguration of activities of FORCE (FORum of Civil Engineering) for the Academic Year 2018 -19 was held on the 26th of September, 2018, Wednesday at Sir M. V. Hall in the college premises. The day witnessed the celebration of Teachers' Day, Engineers' Day and the Freshers' Day by the department. An exhibition of civil engineering models, photographs, posters and paintings made by the 3rd semester students was arranged on the account of this event. A total of above 400 civil engineering students had gathered with enthusiasm and the event was thoroughly enjoyed.

The program was inaugurated by Sri M. L. Krishnaswamy, Chief Guest of the day, A Chartered Engineer & Senior Structural Consultant and a famous music reviewer in Mysuru, Dr. B. G. Naresh Kumar, Principal, MITM, Dr. C. Ramakrishnegowda, Head of Civil Engineering and Mr. Aniruddha A. M., Coordinator, FORCE. Dr. S. Murali, President, MET, joined the event later.

After the inauguration, Sri M. L. Krishnaswamy spoke in length about the contribution of Bharataratna Sir M. Visvesvaraya and also shared his own field experiences that would benefit the younger lot. He also was of praise for the efforts put by the fresh students in making models related to the field of civil engineering and appreciated the department for having hosted such an event.

Picture 1: From L – R, Dr. C. Ramakrishnegowda, Head of Civil Engineering, Mr. Aniruddha A. M., Coordinator, FORCE, Dr. B. G. Naresh Kumar, Principal, MITM, and Sri M. L. Krishnaswamy, Chief Guest of the day, A Chartered Engineer & Senior Structural Consultant in Mysuru, are seen inaugurating the event.
