

MAHARAJA INSTITUTE OF TECHNOLOGY MYSORE

DEPARTMENT OF CIVIL ENGINEERING

GEOTECHNICAL ENGINEERING LABORATORY

Do's

- Enter laboratory with appropriate lab uniform and shoes.
- Keep all your belongings in the book rack or at the place suggested by lab instructor.
- Bring the laboratory manual, observation and record without fail.
- Collect the instruments and check for damage if any before carrying out the experiment.
- Always perform experiments precisely as directed by the teacher.
- Make sure that all equipment is clean and returned to its original place after performing experiments.
- Wear gloves, as provided in the laboratory, when handling hazardous materials. Remove the gloves before exiting the laboratory.

Don'ts

- Never work in the lab without the supervision of a teacher/lab instructor.
- Don't fool around in the laboratory.
- Don't use mobile phones during laboratory hours.
- Don't come with long hair, dangling jewelry and loose or baggy clothing which are a hazard in the laboratory.
