## **Extracurricular Activity Report**

### **About TeamCazal & Thantragnyan**

TeamCazal is an MCA students association maintained by students. Main aim of the association is to organize technical events, seminars, workshop and many other academic related activities to provide overall development of a student. Team Cazal organizes a state level technical fest “Thantragnyan” every year. Where students from various engineering colleges compete and share knowledge.

### **Thantragnyan 2014**

Thantragnyan is an annual technical fest conducted by MCA department students association TeamCazal. Department has successfully conducted this fest for consecutive 3 years 2013,2014 and 2015. During the inaugural year of this fest, 8 teams had participated. This fest was mixture of talent, knowledge and fun. Industrial talks were organized. 8 events were conducted. Complete event was managed by students and complete budget was brought by students from various sponsorships.
