Report on VIRTUAL ALUMNI MEET

Prof. Manjunath B, Associate Professor and HoD, Master of Computer Applications MIT Mysore proposed the hosting of Alumni Meet in the Department Staff Meeting and upon acceptance by all staff members, Alumni Association was informed to plan for the event.

With the very positive response from the alumni association of the department, no change in the schedule of the event was made and the official circular was sent to all staff and association members.

For the smooth conduction of the event, several committees were formed. The same was circulated to all the teaching and non-teaching staff members of the department.

The personal invitation to all the trust members and HoD's of various departments in the Institute was given to attend the alumni meet by the department. And due their busy schedules, Dr. B G Naresh Kumar, CEO MET and Principal MIT Mysore represented them. The invitation card is attached.

The Alumni meet was not only planned to get together all the alumni of the department but also to educate the alumni about the growth of the department, quality in education as per the outcome based education, opting for Accreditation by NBA in the coming years and also to assist the upcoming alumni with job opportunities and higher studies etc.

The program was scheduled as follows:

Date Aug 23, 2020 Sunday

Time 11 am to 1 pm

Venue: Virtual Alumni meet through GMeet - Google Meet Link: meet.google.com/sdn-wuez-ptg

- 11.00am – 11.05 am : Welcome Speech
- 11.05am – 11.15am : Talk by HoD
- 11.15am – 11.25am : Presentation on highlights of Alumni and Department
- 11.25am – 12.15pm : Experience sharing by the Alumni
- 12.15pm – 12.30pm : Talk by Dr. Vasudev T.
- 12.30pm – 12.45pm : Talk by the Principal

- 12.45pm : Vote of thanks

The Presentation highlighted the alumni and the department in terms of the success and reach to the society, which also included the information related to Vision and Mission statements of the institute and the department, outcome based education, Program Educational Objectives (PEO's) and Program Outcomes (PO's) and as well as accreditation by NBA.

The forum was open for the alumni to share their experiences. More than 6 alumni shared their experiences amongst the attendance.

The suggestions from the alumni are summarized as follows:

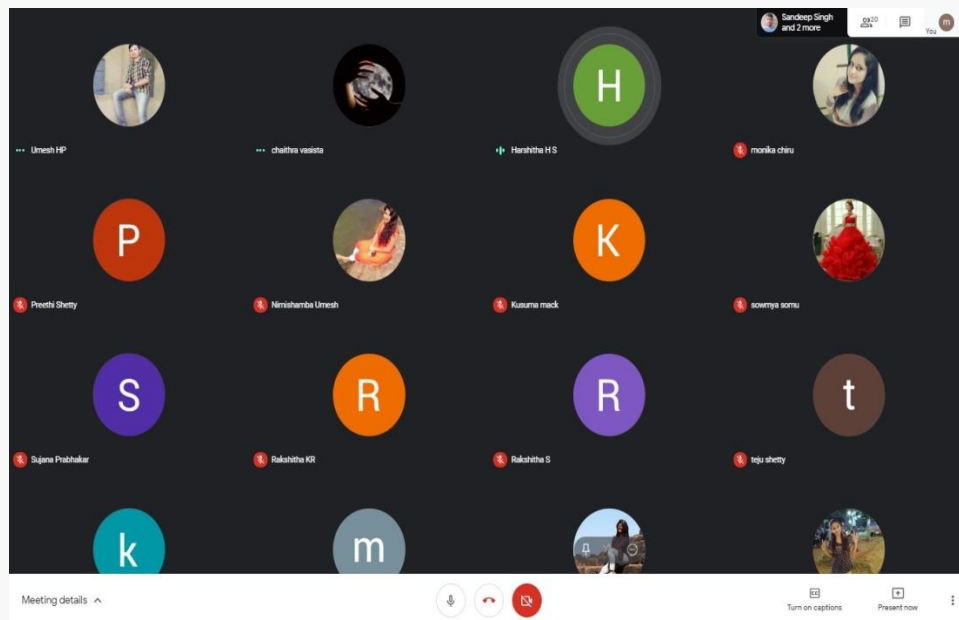

- Motivate the weak students
- Increase placement support with Mandatory soft skill training, Mock Interviews, resume building etc
- Encourage entrepreneurship, Incubation centers, R&D Labs
- MoU's with Core industries and assist Internships
- Training about latest technologies, Internet of Things (IoT's) and Artificial Intelligence
- Introduce more software courses on design
- Inter collegiate and Intra department competitions from the department
- To bring the awareness of Industry standards, Quality tools etc
- Interactive sessions with industry personalities, alumni etc to fill the Industry Institute Gap

The alumni also ensured their support in addressing the students of the department, bringing industry experts for technical talks, industrial visits and also placement assistance through the referral drives whenever possible.
