MEMORANDUM OF UNDERSTANDING

To be executed between **The Department Information Science of Maharaja Institute of Technology Mysore** and **Shan Infotech Solutions - Bangalore 560010**

The MOU is executed on ---- May 2025 to May 2028 between, The Department of Information Science and Engineering of Maharaja Institute of Technology Mysore - HOD and Shan Infotech Solutions - Bangalore 560010 represented through Mr. Shanmukh V Inamdar, Founder and Technical Director

WHERE AS - At Shan Infotech Solutions, we design and develop software products that align with our clients' real business goals. From internal platforms to customer-facing applications, our work is focused on usability, scalability, and long-term value.

With a strong foundation in full-stack development, cloud technologies, and data streaming, we collaborate closely with clients to build reliable systems — on time and with purpose. Each project reflects our commitment to clean architecture, efficient delivery, and meaningful impact.

WHERE AS - The Department of Information Science and Engineering Mysore is in the process of empowering students with Outcome Based Education system (OBEs) to meet the global competence and aims to emerge as a center for achieving academic excellence. The Bachelor program was established in the year 2007 with an intake of 60 and increased to 120 in 2013. The department has set itself a notch above the contemporaries in terms of initiatives and expanding the horizon in research and thus imparts proven expertise to students. Soft – Skill programmes are conducted through the placement cell for the overall personality development of the student.

Most of MIT (Maharaja Institute of Technology Mysore) - Information Science Department students are well placed in fortune companies. Many of MIT (Maharaja Institute of Technology Mysore) - Information Science Department students have published and presented their research papers in National/ International Journals and Conferences. Under the R & D activity, RPS project has been taken up by the department and successfully completed. Fellowship is offered to the Research Scholars through grants received from various funding agencies of the Government of India; as well as from Maharaja Research Foundation (MRF) established at MITM campus for the Ph.D. program.
